## Child Care Grant Approved Child Care Centers

Below is a list of local New York State licensed child care programs that we have approved for the Einstein Child Care Grant Program. In comparing and selecting a program, be mindful of each center's specific policies such as:

- Center's vacation schedule, early drop off and extended day; hours of operation
- Whether lunch and snacks are provided
- Make-up policy for missed days such as snow days
- Tuition payment option, additional fees (registration, supplies, etc.), annual rate increases

Rates and discounts are set by the centers. Please verify rates directly with each child care center.
