Instructions for Individuals Taking CITI for the First Time

2. Click on the “Register for the CITI Course” link.
3. Complete items 1-7 of the registration process and click “Submit”. Please note that for item 1 of the registration process, you should select “Albert Einstein College of Medicine”; then check box to Agree to Terms of Service and check box to Affirm affiliation with Albert Einstein College of Medicine
4. Create Username/Password. You may use any email address you currently use.
5. You will then be directed to Select Curriculum. Select courses relevant for “Animal Care and Use”.
6. For Question 8 check all the modules that apply as shown (for students and staff working with mice)
7. After you have checked all the appropriate boxes, Click “Submit” or “Next”.
8. You will then be redirected to take the required training modules.

Instructions for Individuals who are Already Using CITI for CCI/IRB modules

2. At the Main Menu screen scroll down and click “Add a Course” or “Update Institutional Profile” if you previously registered at a different institution. You will be able to add the courses as required above.

If you have any issues registering or selecting courses, please email: Dr. Linda Jelicks: linda.jelicks@einsteinmed.org
